Kryso Resources Appoints Fox-Davies as Broker

Kryso Resources plc (AIM: KYS) is pleased to announce the appointment of Fox-Davies Capital Limited ('FDC') to act as the Company's broker with immediate effect.

FDC is a Member of the [London Stock Exchange](#) and specializes in providing Corporate Finance advisory, broking and capital raising services to AIM listed and international resource companies. FDC provides its corporate clients with access to investors in the UK, European and North American capital markets and has an established track record in emerging markets particularly in the FSU, Africa and Asia.

Kryso Resources is a mineral exploration and development company with gold and nickel-copper projects in Tajikistan, and FDC's experience in advising companies with assets in this region of the world is expected to be very valuable to the Company.

Kryso Resources' Managing Director Vassilios Carellas comments:

'Raising Kryso's profile amongst institutional investors and generating greater liquidity for all shareholders is a priority. Fox-Davies' abilities in these areas are impressive, and we feel that Fox-Davies will prove an excellent partner to Kryso as we implement our growth strategy, which centres on advancing the Pakrut gold project to production.'
